STIPULATION OF
EXPECTED TESTIMONY

AA/S Joseph Yun

27 June 2013

(U) It is hereby agreed by the Accused, Defense Counsel, and Trial Counsel, that if Acting Assistant Secretary (AA/S) Joseph Yun were present to testify during the merits and pre-sentencing phases of this court-martial, he would testify substantially as follows:

1. (U) The United States Department of State (DoS) is led by the Secretary of State. There are six Under Secretary Offices that work for the Secretary of State. One of those Under Secretaries is for Political Affairs. The Under Secretary of Political Affairs serves as the day-to-day manager of overall regional and bilateral policy issues. The Under Secretary of Political Affairs oversees seven bureaus which are headed by Assistant Secretaries. Those bureaus are African Affairs, European and Eurasian Affairs, East Asian and Pacific Affairs, Near Eastern Affairs, South and Central Asian Affairs, Western Hemisphere Affairs, and International Organizations. The Assistant Secretaries of the geographic bureaus and offices advise the Under Secretary and guide the operation of the US diplomatic missions within their regional jurisdiction. Each bureau has a Principal Deputy Assistant Secretary (PDAS) and several Deputy Assistant Secretaries. The Principal Deputy Assistant Secretary is the lead Deputy Assistant Secretary, all of which assist in the development and management of US policy concerning the Bureau.

2. (U) I am the AA/S and the PDAS of the Bureau of East Asian and Pacific Affairs. The Bureau deals with US foreign policy and US relations with the countries in the Asia-Pacific region. My previous assignment was as Deputy Assistant Secretary of the same Bureau. I am a career member of the Senior Foreign Service, class of Minister Counselor. My overseas assignments have been in South Korea, Thailand, France, Indonesia and Hong Kong. Before joining the US Foreign Service in 1985, I was senior economist for Data Resources, Inc.

3. (U) The Bureau of East Asian and Pacific Affairs covers approximately 40 posts in 26 countries, including Korea, Thailand, Taiwan, Hong Kong, Philippines, Australia, and Japan. The United States' interests in the East Asia-Pacific region include promoting regional stability, fostering democracy and human rights, encouraging economic prosperity, furthering cooperation on fighting transnational issues and international crime, and preventing the proliferation of weapons of mass destruction.

5. (U) The embassies communicate what is occurring in the host nations through many different means. Issuing a cable is an official communication by the Embassy or organization. Typically, the Ambassador or Deputy Chief of Mission (DCM) sign off as the originator on the cables because they contain the official position of the embassy or organization. Generally, cables are issued to summarize meetings and note significant events in the host country, and often contain the analysis and comment of the author. The cables are issued via the distribution captions, one of which is SIPDIS. The SIPDIS caption indicates that a cable is approved for SIPRNET distribution for access by appropriately cleared individuals across numerous US government agencies and departments. Classified cables containing the SIPDIS caption are available to all users of SIPRNET and JWICS to share information with interested agencies and departments in the United States government. Originators could limit distribution to DoS personnel only (STADIS) or even limit distribution to the addressee of the document (NODIS).
